

Huda Negash

PROFILE

I am an organized and responsible individual with a passion for 3D graphics design, always striving to deliver high-quality work. I bring with me a variety of valuable skills that can be applied in the creative and technical aspects of 3D modeling, animation, and rendering. I prioritize quality, precision, and efficiency in everything I do. My goal is to start building my career in the 3D graphics industry, gaining hands-on experience and improving my skills.

WORK EXPERIENCE

Gothenburg— *Babysitting*

November 2022 - August 2023

I worked as a babysitter on my own time. Two families reached out to me regarding babysitting, and I have since worked on an as-needed basis.

Familjebostäder, Gothenburg— *Janitor*

July 2021

Worked a summer job as a janitor with various tasks.

Balder, Gothenburg — *Janitor & Children's Activities Leader*

July 2020 - August 2020

Worked a summer job as a janitor. I performed various outdoor tasks, maintenance work, and sustainability efforts. I was also responsible for organizing social activities for children and youth, fostering social engagement and interaction.
